

EVERFOX

Everfox Export Control Compliance Statement

Everfox Holdings LLC and its subsidiaries and affiliates, in particular, Everfox LLC, Garrison Technology Limited and Everfox Limited (together, "Everfox"), are committed to full compliance with all applicable export control laws and regulations, including but not limited to, the International Traffic in Arms Regulations (ITAR), the Export Administration Regulations (EAR), the Office of Foreign Assets Control (OFAC), the Export Control Act 2002, the Export Control Order 2008, UK and US sanctions legislation and all related regulatory requirements.

Everfox recognizes that certain hardware, software and technology we develop are subject to export controls. We take our obligations seriously and we are committed to ensuring that controlled items are only exported in accordance with valid licenses and authorizations. The Everfox Empowered Official is William Tallon, who has the independent authority to inquire into any aspect of a proposed export, verify the accuracy of export documentation, and refuse to sign any license application or other export request without prejudice.

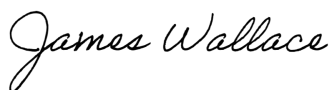

Senior Management Commitment

- Compliance with export control is mandatory for all Everfox personnel.
- Adequate resources will be provided to maintain effective export compliance procedures.
- All employees involved in export activities will receive appropriate training and guidance.
- Violations of export control laws or internal procedures will be treated as serious matters and may result in disciplinary action.

Our Commitment

- Maintain current knowledge of applicable export control regulations and ensure relevant staff are informed of changes.
- Obtain and comply with the conditions of all required export licences before exporting controlled items.
- Conduct appropriate due diligence on customers and end users, including screening against applicable restricted party, denied persons, and sanctioned entity lists.
- Maintain accurate records of all export transactions for the required retention periods.
- Cooperate fully with regulatory inspections and enquiries, conduct periodic internal audits of export compliance procedures, and make timely voluntary disclosures to relevant authorities where potential violations are identified.

All Everfox personnel are expected to support these commitments. Any employee who becomes aware of a potential export control issue must report it immediately to the Export Compliance Team at EXIM@everfox.com or EXIM-UK@everfox.com.
